LOOK BEFORE YOU LEAP: Integrated Business Risk Management

ONE OF THE TOP...

THREE BARRIERS
The inability to get started was one of the top three barriers to achieving risk management objectives.¹

RISK RELATED FAILURES
Being hampered by organizational silos was cited as a top risk-related failure in the past three years.²

THREE MOST IMPORTANT RISKS
CEOs say during the past year, reputational and brand risk has risen to become one of the top three most important risks they face.²

76% of businesses lack a holistic approach to risk.⁴

70% of large, public, and financial service companies reported that the risks they face are increasingly complex and numerous compared to five years ago.⁵

66% of financial services executives cited adapting to upcoming regulatory changes as the biggest regulatory challenge they face.⁵

CEOs believe reputational damage will have the second-biggest impact on the growth of their organizations over the next three years.⁶
