

LICENSE AGREEMENT

*** IMPORTANT INFORMATION – PLEASE READ CAREFULLY ***

This Software contains computer programs and other proprietary material and information, the use of which is subject to and expressly conditioned upon acceptance of this License Agreement (the “Agreement”).

This Agreement is a legally binding document between you (meaning the individual person or the entity that the individual represents that has obtained the Software and Hardware for its internal productive use and not for outright resale) (the “Customer”) and RSA (which means (i) If Customer is located in the United States, Mexico or South America, then this is a legal agreement between the Customer and RSA with “RSA” meaning RSA Security LLC. If Customer is located outside of the United States, Mexico or South America, then this is a legal agreement between the Customer and RSA, with “RSA” meaning (ii) the local RSA sales subsidiary, if Customer is located in a country in which RSA does business through a local RSA sales subsidiary; (iii) if Customer is located in a country in which RSA does not have a local sales subsidiary, the local Dell or EMC entity authorized by RSA on the RSA Quote or other RSA ordering document; or (iv) RSA Security & Risk Ireland Limited (if Customer is located in a country in which neither RSA Security LLC nor Dell EMC has a local sales subsidiary).

Unless RSA agrees otherwise in writing, this Agreement governs Customer's use of the Software and Hardware, except to the extent all or any portion of the Software or Hardware is: (a) the subject of a separate written agreement set forth in a quotation issued by RSA; or (b) governed by a third party licensor's terms and conditions. Capitalized terms have meaning stated in the Agreement.

By clicking on the “Agree” or “Accept” or similar button at the end of this Agreement, or proceeding with the installation, downloading, use or reproduction of this Software, or authorizing any other person to do so, you are representing to RSA that you are (i) authorized to bind the Customer; and (ii) agreeing on behalf of the Customer that the terms of this Agreement shall govern the relationship of the parties with regard to the subject matter in this Agreement and are waiving any rights, to the maximum extent permitted by applicable law, to any claim anywhere in the world concerning the enforceability or validity of this Agreement.

If you do not have authority to agree to the terms of this Agreement on behalf of the Customer, or do not accept the terms of this Agreement on behalf of the Customer, click on the “Cancel” or “Decline” or other similar button at the end of this Agreement and/or immediately cease any further attempt to install, download or use this Software for any purpose, and remove any partial or full copies made from this Software.

C. “Distributor” means a reseller, distributor, system integrator, service provider, independent software vendor, value-added reseller, OEM or other partner that is authorized by RSA to license Software to end users. The term shall also refer to any third party duly authorized by a Distributor to license Software to end users.

E. “Hardware” means the hardware product that the Software is incorporated in or bundled with and sold as a unit and all Documentation for the foregoing.

Product Notices may be delivered in an RSA quote, otherwise in writing and/or a posting on the applicable RSA website, currently located at <https://www.rsa.com/en-us/company/standard-form-agreements>. The terms of the Product Notice in effect as of the date of the RSA quote shall be deemed incorporated into and made a part of the relevant

Customer purchase order. Each Product Notice is dated and is archived when it is superseded by a newer version. RSA shall not change any Product Notice retroactively with regard to any Software listed on an RSA quote issued prior to the date of the applicable Product Notice. At Customer's request, RSA shall without undue delay provide Customer with a copy of the applicable Product Notice and/or attach it to the relevant RSA quote.

G. "Quote(s)" means one or more documents issued by RSA specifying the Software or Hardware that Customer seeks to obtain from RSA, the related pricing and sufficient other information to complete the transaction. Each Quote shall incorporate this Agreement by reference.

I. "Software" means the RSA software product which requires acceptance of this Agreement, and any copies made by or on behalf of Customer and all Documentation for the foregoing.

2. ORDERING, PRICING AND PAYMENT.

A Schedule or Quote will be deemed accepted by Customer when Customer places an order by: (i) providing an executed Schedule to RSA, (ii) signing a Quote and returning it to RSA, (iii) issuing an executed purchase order for the Software or Hardware on the Quote referencing this Agreement, or (iv) sending an email or other writing accepting the Quote. RSA may also accept a purchase order referencing this Agreement and issued by Customer provided however, this Agreement and any Schedule or Quote shall control in the event that there are different or additional terms set forth in any purchase order submitted by Customer. RSA will issue an invoice upon (i) shipment when Hardware is included, or (ii) when Software is made available to Customer through electronic file transfer or shipment of media containing the Software. Such invoice will reflect the price for such Software or Hardware as set forth on the Schedule or Quote. Fees for maintenance services, if any, shall be payable annually, in advance. Customer shall pay RSA the price stated on the invoice and also pay or reimburse RSA for all related taxes or withholdings, except for those taxes based on RSA's net income. If Customer is required to withhold taxes, then Customer will forward any withholding receipts to RSA. All amounts are due in US currency and in full thirty (30) days after the date of RSA's invoice, with interest accruing thereafter at the lesser of 1.5% per month or the highest lawful rate.

3. DELIVERY AND INSTALLATION.

A. Delivery. Title and risk of loss to the Hardware shall transfer to Customer upon RSA's delivery to a carrier at RSA's designated point of shipment ("**Delivery**"). Unless otherwise agreed, a common carrier shall be specified by RSA. Software may be provided by (i) Delivery of physical media; or (ii) electronic means (where available from RSA). If the Hardware has not been sold (for example - a lease or rental transaction), then risk of loss thereto transfers at Delivery, but title does not.

B. Installation and Acceptance. RSA's obligation, if any, to install Software as part of the Software's licensing fee, is set forth in the Product Notice. Acceptance that Software or Hardware operates in substantial conformity to the Documentation occurs upon Delivery or electronic availability, as applicable. Notwithstanding such acceptance, Customer retains all rights and remedies set forth in Section 5 (WARRANTY AND DISCLAIMER) below.

4. LICENSE TERMS.

A. General License Grant. Subject to Customer's compliance with this Agreement, the Product Notice, and payment of all license fees, RSA grants to Customer a nonexclusive and nontransferable (except as otherwise permitted herein) license (with no right to sublicense) to use (i) Software for Customer's internal business purposes; and (ii) the Documentation for the purpose of supporting Customer's use of Software or Hardware. Licenses granted to Customer shall, unless otherwise indicated on the Product Notice or quote from RSA or Distributor be perpetual and commence on Delivery of the physical media or the date Customer is notified of electronic availability, as applicable. Documentation is licensed solely for purposes of supporting Customer's use of Software or Hardware as permitted in this Section. To the extent applicable to Software, Customer may be required to follow RSA's then current product registration process, if any, to obtain and input an authorization key or license file.

B. Licensing Models. Software is licensed for use only in accordance with the commercial terms and restrictions of the Software's relevant licensing model, which are stated in the Product Notice and/or quote from RSA or Distributor.

C. License Restrictions. All Software licenses granted herein are for use of object code only. Customer is permitted to copy Software as necessary to install and run it in accordance with the license, but otherwise for back-up purposes only. Customer may copy Documentation insofar as reasonably necessary in connection with Customer's authorized internal use of Software. Customer shall not, without RSA's prior written consent (i) use Software in a service bureau, application service provider or similar capacity; or (ii) disclose to any third party the results of any comparative or competitive analyses, benchmark testing or analyses of Software performed by or on behalf of Customer; (iii) make available Software in any form to anyone other than Customer's employees or contractors; (iv) transfer Software to an Affiliate or a third party; or (v) for any Software that is licensed with Hardware, Customer may only use such Software on the Hardware on which it was provided.

Some third party license terms require that computer code be generally (a) disclosed in source code form to third parties, (b) licensed to third parties for the purpose of making derivative works, or (c) redistributable to third parties at no charge (collectively, "**Excluded License Terms**"). If RSA grants Customer the right to incorporate, modify, combine or distribute any of the Software licensed hereunder, then Customer shall not incorporate, modify, combine or distribute the Software with any other computer code in a manner that would subject the Software to Excluded License Terms.

E. Audit Rights. RSA (including its independent auditors) shall have the right to audit Customer's usage of Software and Hardware

to confirm compliance with the agreed terms. Such audit is subject to reasonable advance notice by RSA and shall not unreasonably interfere with Customer's business activities. Customer will provide RSA with the support required to perform such audit and will, without prejudice to other rights of RSA, address any non-compliant situations identified by the audit by forthwith procuring additional licenses.

F. Termination. RSA may terminate licenses for cause, if Customer breaches the terms governing use of Software or Hardware and fails to cure within thirty (30) days after receipt of RSA's written notice thereof. Upon termination of a license, Customer shall cease all use and return or certify destruction of the applicable Software (including copies) to RSA.

G. Reserved Rights. All rights not expressly granted to Customer are reserved. In particular, no title to, or ownership of, the Software is transferred to Customer. Customer shall reproduce and include copyright and other proprietary notices on and in any copies of the Software. Unless expressly permitted by applicable mandatory law, Customer shall not modify, enhance, supplement, create derivative works from, reverse assemble, reverse engineer, decompile or otherwise reduce to human readable form the Software without RSA's prior written consent, nor shall Customer permit any third party to do the same.

5. WARRANTY AND DISCLAIMER.

A. Warranty. RSA warrants that Software will substantially conform to the applicable Documentation for such Software and that any Hardware provided by RSA will be free from manufacturing defects, malfunctions, errors or other defects in materials and workmanship until the expiration of the applicable warranty period. RSA does not warrant that the operation of Software or Hardware shall be uninterrupted or error free, that all defects can be corrected, or that Software or Hardware meets Customer's requirements, except if expressly warranted by RSA in its quote.

B. Warranty Duration. Unless otherwise stated on the RSA quote, the warranty period for Software and any Hardware shall (i) be as set forth at the Product Notice; and (ii) commence upon Delivery of the media or Hardware or the date Customer is notified of electronic availability, as applicable.

C. Customer Remedies. RSA's entire liability and Customer's exclusive remedies under the warranties described in this section shall be for RSA, at its option, to remedy the non-compliance or to replace the affected Software or Hardware. If RSA is unable to effect such within a reasonable time, then RSA shall refund the amount received by RSA for the Software or Hardware concerned. All replaced Software contained on physical media supplied by RSA and Hardware shall be returned to and become the property of RSA. RSA shall have no liability hereunder after expiration of the applicable warranty period. The foregoing shall not void any supplementary remedies made available to Customer by a Distributor, with respect to which RSA shall have no liability or obligation.

D. Warranty Exclusions. Warranty does not cover problems that arise from (i) accident or neglect by Customer or any third party; (ii) any third party items or services with which Software or Hardware is used or other causes beyond RSA's control; (iii) installation, operation or use not in accordance with RSA's instructions or the applicable Documentation; (iv) use in an environment, in a manner or for a purpose for which Software or Hardware was not designed; or (v) modification, alteration or repair by anyone other than RSA or its authorized representatives. RSA has no obligation whatsoever for Software or Hardware installed or used beyond the licensed use, or whose original identification marks have been altered or removed.

E. No Further Warranties. Except for the warranty set forth herein, and to the maximum extent permitted by law, RSA (INCLUDING ITS SUPPLIERS) MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES, WRITTEN OR ORAL. INsofar AS PERMITTED UNDER APPLICABLE LAW, ALL OTHER WARRANTIES ARE SPECIFICALLY EXCLUDED, INCLUDING WARRANTIES ARISING BY STATUTE, COURSE OF DEALING OR USAGE OF TRADE.

6. LIMITATION OF LIABILITY.

A. Limitation on Direct Damages. B. No Indirect Damages. EXCEPT WITH RESPECT TO CLAIMS REGARDING VIOLATION OF RSA'S INTELLECTUAL PROPERTY RIGHTS, NEITHER CUSTOMER NOR RSA SHALL HAVE LIABILITY TO THE OTHER FOR ANY SPECIAL, CONSEQUENTIAL, EXEMPLARY, INCIDENTAL, OR INDIRECT DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, REVENUES, DATA AND/OR USE), EVEN IF ADVISED OF THE POSSIBILITY THEREOF.

C. Special Exclusion. IN JURISDICTIONS THAT DO NOT ALLOW LIMITATION OR EXCLUSION OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, ALL OR A PORTION OF SECTION 6.A AND/OR 6.B ABOVE MAY NOT APPLY. CUSTOMER ACKNOWLEDGES AND AGREES THAT NO INDEMNITY IS GIVEN WITH RESPECT TO THE SOFTWARE OR HARDWARE.

D. Limitation Period. Unless otherwise required by applicable law, the limitation period for claims for damages shall be eighteen (18) months after the cause of action accrues, unless statutory law provides for a shorter limitation period.

E. Suppliers. The foregoing limitations shall also apply in favor of RSA's suppliers.

7. EVALUATION SOFTWARE.

A. This Agreement shall also apply to "Evaluation Software" (meaning the copy of Software which contains this Agreement, including any copies made by or on behalf of Customer, and all Documentation for the foregoing, which are licensed for a limited

B. The particular Evaluation Software, period of use, Installation Site and other transaction-specific conditions shall be as mutually agreed between RSA and Customer and recorded in the form of an evaluation or loan schedule.

C. Notwithstanding any deviating terms in this Agreement, all licenses for Evaluation Software expire at the end of the evaluation or loan period.

D. Customer shall return Evaluation Software and any Hardware used with such Evaluation Software at the end of the evaluation or loan period or when sooner terminated by RSA for convenience by giving thirty (30) days' written notice, whichever occurs first. Customer shall bear the risk of loss and damage for return of physical media, if any, and de-installation.

E. Customer may use Evaluation Software free of charge, but, in the case of Evaluation Software, solely for the purpose of evaluation and not in a production environment.

F. Without prejudice to any other limitations on RSA's liability set forth in this Agreement (which shall also apply to Evaluation Software), Evaluation Software is provided "AS IS" and any warranty or damage claims against RSA in connection with Evaluation Software are hereby excluded, except in the event of fraud or willful misconduct of RSA.

G. Unless otherwise specifically agreed in writing by RSA, RSA does not provide maintenance or support for any Evaluation Software. CUSTOMER RECOGNIZES THAT EVALUATION SOFTWARE MAY HAVE DEFECTS OR DEFICIENCIES WHICH CANNOT OR MAY NOT BE CORRECTED BY RSA. RSA shall have no liability to Customer for any action (or any prior related claims) brought by or against Customer alleging that Customer's sale, use or other disposition of any Evaluation Software infringes any patent, copyright, trade secret or other intellectual property right. In event of such an action, RSA retains the right to terminate this Agreement and take possession of the Evaluation Software and Hardware. THIS SECTION STATES RSA'S ENTIRE LIABILITY WITH RESPECT TO ALLEGED INFRINGEMENTS OF INTELLECTUAL PROPERTY RIGHTS BY EVALUATION SOFTWARE OR ANY PART OF IT OR ITS OPERATION.

Each party shall (i) use Confidential Information of the other party only for the purposes of exercising rights or performing obligations in connection with this Agreement; and (ii) use at least reasonable care to protect from disclosure to any third parties any Confidential Information disclosed by the other party for a period commencing upon the date of disclosure until three (3) years thereafter. Notwithstanding the foregoing, either party may disclose Confidential Information (a) to an Affiliate for the purpose of fulfilling its obligations or exercising its rights hereunder as long as such Affiliate complies with the foregoing; and (b) if required by law provided the receiving party has given the disclosing party prompt notice.

9. GOVERNMENT REGULATIONS AND EXPORT CONTROL. Hardware, Software and the technology included therein provided under this Agreement are subject to governmental restrictions on (i) exports from the U.S.; (ii) exports from other countries in which such Hardware, Software and technology included therein may be produced or located; (iii) disclosures of technology to foreign persons; (iv) exports from abroad of derivative products thereof; and (v) the importation and/or use of such Hardware, Software and technology included therein outside of the United States or other countries (collectively, "Export Laws"). Upon termination of this Agreement, Customer shall cease all use and return or certify destruction of the applicable Software (including copies) to RSA. Any provision that by its nature or context is intended to survive any termination or expiration, including but not limited to provisions relating to payment of outstanding fees, confidentiality and liability, shall so survive.
