Unless RSA agrees otherwise in writing, this Agreement governs Customer's use of the Software and Hardware, except to the extent all or any portion of the Software or Hardware is: (a) the subject of a separate written agreement set forth in a quotation issued by RSA; or (b) governed by a third-party licensor's terms and conditions. Capitalized terms have meaning stated in the Agreement.

By clicking on the “Agree” or “Accept” or similar button at the end of this Agreement, or proceeding with the installation, downloading, use or reproduction of this Software, or authorizing any other person to do so, you are representing to RSA that you are (i) authorized to bind the Customer; and (ii) agreeing on behalf of the Customer that the terms of this Agreement shall govern the relationship of the parties with regard to the subject matter in this Agreement and are waiving any rights, to the maximum extent permitted by applicable law, to any claim anywhere in the world concerning the enforceability or validity of this Agreement.

If you do not have authority to agree to the terms of this Agreement on behalf of the Customer, or do not accept the terms of this Agreement on behalf of the Customer, click on the “Cancel” or “Decline” or other similar button at the end of this Agreement and/or immediately cease any further attempt to install, download or use this Software for any purpose, and remove any partial or full copies made from this Software.

Product Notices may be delivered in an RSA quote, otherwise in writing and/or a posting on the applicable RSA website, currently located at <https://www.rsa.com/standard-form-agreements>. The terms of the Product Notice in effect as of the date of the RSA quote shall be deemed to be incorporated into and made a part of the relevant Customer purchase order. Each Product Notice is dated and is archived when it is superseded by a newer version. RSA shall not change any Product Notice retroactively with regard to any Products listed on an RSA quote issued prior to the date of the applicable Product

Notice. Upon request, RSA shall without undue delay provide a copy of the applicable Product Notice and/or attach it to the relevant RSA quote.

- H. - K. "Supplier(s)" means an entity (other than Customer) whose components, subassemblies, software and/or services have been incorporated into Products and/or Services.
- L. "Training" means RSA's generally available training course offerings, whether online, via CD, instructor-led, or any other method of delivery.
- M. "Training Materials" means the materials provided to Customer during Training.

2. QUOTING, PURCHASING AND PAYMENT.

- A. Quoting and Purchasing. This Section 2.A shall only apply to purchases which are placed by Customer directly with RSA. The description of the Products, Maintenance Services, Services identified in a Service Brief, and related pricing are as stated in a quote to Customer from RSA. Each quote is valid for the time period specified thereon. Customer may order the items on such quote by (i) issuing a purchase order to RSA that references such quote; or (ii) with the prior approval of RSA (a) signing such quote and returning it to RSA; or (b) sending an email or other writing to RSA referencing and ordering the items on such quote. Customer's order is accepted by RSA (1) issuing an e-mail or other written communication to Customer accepting such order; or (2) shipping the applicable Products to or commencing performance of the applicable Services. Each SOW (excluding the Service Brief) becomes binding on both parties when it is signed by RSA and Customer countersigns and returns the SOW to RSA (along with a purchase order if so required in the SOW).
- B. Payment. This Section 2.B shall only apply to purchases which are placed by Customer directly with RSA. Customer shall pay RSA's invoices in full and in the same currency as the RSA invoice within thirty (30) days after the date of RSA's invoice, with interest accruing thereafter at the lesser of 1.5% per month or the highest lawful rate. The charges due hereunder for Products and Services and any other items provided by RSA are exclusive of and Customer shall pay or reimburse RSA for all value added (VAT), sales, use, excise, withholding, personal property, goods and services and other taxes, levies, customs and duties resulting from a Customer purchase order, except for taxes based on RSA's net income. If Customer is required to withhold taxes, then Customer will forward any withholding receipts to RSA.
- C. Transactions with Customer Affiliates. This Section 2.C shall only apply to purchases which are placed by Customer directly with RSA or RSA Affiliate. Customer Affiliates domiciled in the same country as Customer are entitled to order Products and Services under this Agreement, if the Products and Services are ordered for installation/delivery or performance in such country. Before ordering Products and Services for installation/delivery in any other country, the Customer Affiliate operating in such other country and the local RSA Affiliate, if any, that engages in direct sales/licensing activities of Products and Services in the ordinary course of its business for such country, must first execute a local participation agreement that (i) incorporates by reference the terms of this Agreement; and (ii) addresses such issues as are necessary to conform to local country laws and business requirements and practices. Thereafter, an RSA quote, referencing the local participation agreement may be issued by such local RSA Affiliate to the local Customer Affiliate and a purchase order may be placed pursuant to such RSA quote. If there is no such local RSA Affiliate, then RSA shall advise Customer on any available alternative methods of procurement.

3. DELIVERY AND INSTALLATION.

- A. Product Delivery. This Section 3.A shall only apply to purchases which are placed by Customer directly with RSA. Delivery of RSA Product shall be completed in the following manner: (i) Title and risk of loss for sold Equipment and physical media containing Software shall transfer to Customer upon RSA's delivery to a carrier at RSA's designated point of shipment; and (ii) Software may be provided by (1) delivery of physical media to a carrier at RSA's designated point of shipment; or (2) electronic download (when so offered by RSA) ("Delivery"). Unless otherwise agreed, a common carrier shall be specified by RSA. Software, Documentation, Evaluation Products and Training Materials are licensed only. No title to, or ownership of, Software, Documentation, Evaluation Products, Training Materials, or other materials provided to Customer in the course of performing Services is transferred to Customer.
- B. Product Installation and Acceptance. RSA's obligation, if any, to install a Product as part of the Product's purchase price or licensing fee, is set forth in the Product Notice. Acceptance that a Product operates in substantial conformity to the Product's Documentation occurs upon Delivery or notice of availability for electronic download, as applicable.

Notwithstanding such acceptance, Customer retains all rights and remedies set forth in the Section entitled "Product Warranty."

4. LICENSE TERMS.

- A. **General License Grant.** RSA grants to Customer a nonexclusive and nontransferable (except as otherwise permitted herein) license (with no right to sublicense) to use (i) Software solely for Customer's internal business purposes; (ii) Documentation related to Software solely for the purpose of supporting Customer's use of Software. Licenses granted to Customer shall continue for the duration as indicated on the RSA quote, and commence on Delivery of the physical media or the date Customer is notified of availability for electronic download, as applicable; and (iii) with respect to Software that was Delivered to Customer on Equipment, use such Software only on the Equipment with which it was provided. Use of Software may require Customer to complete RSA's then current product registration process, if any, to obtain and input an authorization key or license file.
- B. **Licensing Models.** Software is licensed for use only in accordance with the commercial terms and restrictions of the Software's relevant licensing model, which are stated in the Product Notice and/or RSA quote. For example, the licensing model may provide that Software is licensed for use solely (i) for a certain number of licensing units; (ii) on or in connection with a certain piece of equipment, CPU, network or other hardware environment; and/or (iii) for a specified amount of storage capacity. Microcode, firmware or operating system software needed by the Equipment with which it is shipped to perform its basic functions, is licensed for use solely on such Equipment. RSA may require Customer's purchase order, Quote, Schedule, invoice, or user license certificate for some or all of the Products to contain limitations with respect to the number of users, servers, application-specific usage, hosts, asserting and relying parties, functionality options and/or other restrictions. In such a case, such limitations and restrictions are incorporated herein by reference with respect to the applicable Products.
- C. **Licensed Copies.** All Software licenses granted herein are for use of object code only. Customer is permitted to copy Software, in accordance with the license, the quote, and the Product Notice. Unless otherwise agreed to by the parties, or unless such additional rights are granted in the Product Notice, Customer may only use one production copy of the RSA Software. Customer may copy Documentation insofar as reasonably necessary for Customer's authorized internal use of Software. With respect to any and all copies of the Software and Documentation, Customer shall ensure that each copy contains all titles, trademarks, and copyright and restricted rights notices, and that all such copies shall be subject to the terms and conditions of this Agreement.
- D. **License Restrictions.** Customer shall not, without RSA's prior written consent (i) sublicense, or use Software in a service bureau, application service provider or similar capacity; or (ii) disclose to any third party the results of any comparative or competitive analyses, benchmark testing or analyses of RSA Products performed by or on behalf of Customer; (iii) make available Software in any form to anyone other than Customer's employees, or contractors, and require access to use Software on behalf of Customer in a manner permitted by this Agreement; or (iv) transfer Software to an Affiliate or a third party. If the Software contains or is bundled with third party products, then Customer may use such third party products solely for use with the particular Software that Customer has licensed from RSA as set forth in the applicable Documentation, and/or the Product Notice. Customer shall not use any third-party product embedded in or bundled with the RSA Software as a standalone program or in any way independently from the Software. Customer shall not, and shall not authorize any third party to, modify, enhance, supplement, create derivative works from, reverse assemble, reverse engineer, decompile or otherwise reduce to human readable form Software without RSA's prior written consent.
- E. **Software Releases.** Software Releases shall be subject to the license terms applicable to Software.
- F. **No Combination with Open Source Software.** Some third-party license terms require that computer code be generally (a) disclosed in source code form to third parties, (b) licensed to third parties for the purpose of making derivative works, or (c) redistributable to third parties at no charge (collectively, "Excluded License Terms"). If RSA grants Customer the right to incorporate, modify, combine or distribute any of the RSA Software licensed hereunder, then Customer shall not incorporate, modify, combine or distribute the RSA Software with any other computer code in a manner that would subject the RSA Software to Excluded License Terms.
- G. **Reservation of Rights.** RSA reserves all rights not expressly granted to Customer in this Agreement. Nothing in this Agreement shall limit in any way RSA's right to develop, use, license, create derivative works of, or otherwise exploit the Software, or to permit third parties to do so.
- H. **Audit.** RSA (including its independent auditors) shall have the right to audit Customer's usage of the Products no more than once annually to confirm compliance with the terms of the Agreement and the Schedule or Quote at RSA's expense. RSA shall schedule any audit at least thirty (30) days in advance. Any such audit shall be performed during regular business hours and shall not unreasonably interfere with Customer's business activities. Should such audit indicate usage of Products in excess of that for which Customer has paid, in addition to any other rights RSA may have for breach of this Agreement and the Schedule or Quote, Customer shall promptly reconcile its account with RSA and pay the RSA invoice, if any, that results from such reconciliation.
- I. **Termination.** RSA may terminate licenses for cause if Customer breaches the terms governing use of Software and fails to cure within thirty (30) days after receipt of RSA's written notice thereof. Upon termination of a license, Customer shall cease all use and return or certify destruction of applicable Software (including copies) to RSA.
- J. **Other License Terms.** If a particular Product or component is covered by its own license terms ("Separate License Terms"), typically in the form of a (i) "click-to-accept" agreement included as part of the installation and/or download

process, or (ii) "shrink-wrap" agreement included in the packaging for the Product, or (iii) notice indicating that by installation and/or use thereof the related license terms apply, then, in case of conflict with the terms of this Agreement, such Separate License Terms shall (a) prevail with regard to Products or components for which RSA is not the licensor; and (b) not prevail with regard to a Product or component for which RSA is the licensor.

5. PRODUCT WARRANTY.

- A. Equipment. RSA warrants that Equipment, and Equipment upgrades installed into Equipment, when purchased from RSA and operated with normal usage and regular recommended service, shall be free from material defects in materials and workmanship, and perform substantially in accordance with Documentation provided for Equipment until the expiration of the warranty period. Unless otherwise noted on the Product Notice or RSA quote, the warranty coverage for the microcode, firmware or operating system software that enables Equipment to perform as described in its Documentation shall be no less than that which applies to such Equipment. To the extent specified in the Product Notice, Support Services in the form of the Support Option noted on the Product Notice are included free of charge during the Equipment warranty period. In some cases, a Support Option upgrade during the Equipment warranty period may be available separate purchase.
- B. Software. RSA represents, warrants and covenants to Customer that (a) will substantially conform to the applicable Documentation for such Software and that any physical media provided by RSA will be free from manufacturing defects in materials and workmanship until the expiration of the warranty period; (b) RSA owns and has legal and beneficial title to and/or have the right to use its intellectual property rights in connection with the provision of the Software contained in or contemplated by this Agreement and any agreement herein provided for; (c) neither RSA's grant of the rights or licences hereunder nor its provision of the Software, or other obligations under this Agreement does or at any time will: (i) conflict with or violate any applicable law, including any applicable laws; (ii) require the consent, approval, or authorization of any governmental or regulatory authority or other third party; or (iii) require the provision of any payment or other consideration by Customer to any third party, and RSA shall promptly notify Customer in writing if it becomes aware of any change in any applicable law that would preclude RSA's performance of its obligations hereunder; and (d) the Software, when used by Customer, will be free of any virus or unauthorized codes. RSA does not warrant that the operation of Software shall be uninterrupted or error free, that all defects can be corrected, or that Software meets Customer's requirements, except if expressly warranted by RSA in its quote. Support Services for Software are available for separate purchase and the Support Options are identified at the Product Notice.
- C. Duration. Unless otherwise stated on the RSA quote, the warranty period from RSA for Products shall be as set forth at the Product Notice. Equipment warranty commences upon Delivery. Software warranty commences upon Delivery of the media or the date Customer is notified of electronic availability, as applicable. Equipment upgrades are warranted from Delivery until the end of the warranty period for the Equipment into which such upgrades are installed.
- D. Customer Remedies.
- i. Equipment. RSA's entire liability and Customer's exclusive remedies under the warranties described in this Section shall be for RSA, at its option, to remedy the non-compliance or to replace the affected Equipment, and if RSA is unable to effect such within a reasonable time, then RSA shall refund the amount paid by Customer for the affected Equipment as depreciated on a straight line basis over a five (5) year period, upon return of such Equipment to RSA. All replaced Equipment or portions thereof shall be returned to and become the property of RSA. If such replacement is not so returned, Customer shall pay RSA's then current spare parts price therefore. RSA shall have no liability hereunder after expiration of the applicable warranty period.
 - ii. Software. If Customer discovers a non-conformity in the Software during the Warranty Period, then RSA's entire liability and Customer's exclusive remedy shall be as follows: Customer shall submit to RSA a written report describing the nonconformity in sufficient detail to permit RSA to reproduce such non-conformity. If RSA successfully reproduces the reported non-conformity and confirms that it is a non-conformity, then RSA shall use commercially reasonable efforts, at its option, to (1) correct the nonconformity, (2) provide a work around or software patch (a "Fix"), or (3) replace the RSA Software. If RSA determines that none of these alternatives is reasonably available, then, upon Customer's request, RSA shall refund any payments that Customer has made for the affected RSA Software and accept its return. This warranty applies only to the initial delivery of the RSA Software.
- E. Exclusions. Warranty does not cover problems that arise from (i) accident or neglect of the Equipment by Customer or any third party; (ii) any third party items or services with which the Product is used or other causes beyond RSA's control; (iii) installation, operation or use not in accordance with RSA's instructions or the applicable Documentation; (iv) use in an environment, in a manner or for a purpose for which the Product was not designed; or (v) modification, alteration or repair by anyone other than RSA or its authorized representatives; or (vi) in case of Equipment only, causes not attributable to normal wear and tear (collectively, the "Excluded Claims"). RSA has no obligation whatsoever for Software installed or used beyond the licensed use, for Equipment which was moved from the Installation Site without RSA's consent or whose original identification marks have been altered or removed.
- F. No Further Warranties. EXCEPT AS EXPRESSLY STATED HEREIN, AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WITH REGARD TO PRODUCTS, SERVICES OR ANY OTHER ITEMS OR MATTERS ARISING HEREUNDER, RSA (INCLUDING ITS SUPPLIERS) MAKES NO OTHER EXPRESS WARRANTIES, WRITTEN OR ORAL, AND DISCLAIMS ALL IMPLIED WARRANTIES. INSOFAR AS

PERMITTED UNDER APPLICABLE LAW, ALL OTHER WARRANTIES ARE SPECIFICALLY EXCLUDED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT, AND ANY WARRANTY ARISING BY STATUTE, OPERATION OF LAW, COURSE OF DEALING OR PERFORMANCE, OR USAGE OF TRADE.

6. SERVICES.

- A. Maintenance Services. RSA shall provide Maintenance Services for Software licensed to Customer and the Equipment for the period specified on the applicable Schedule or Quote.
- B. Other Services. RSA will provide other pre-packaged Services including Training Services (other than Maintenance Services which shall be provided pursuant to Section 6.A above), subject to availability, in accordance with RSA's price list in effect at the time such Services are ordered.

7. INDEMNITY.

- A. Customer Indemnity. Customer will defend and indemnify RSA and its Affiliates against any third party claim resulting or arising from:
 - i. Customer's failure to obtain any appropriate license, intellectual property rights, or other permissions, regulatory certifications, or approvals associated with technology or data that Customer provides to RSA or its Affiliates, or with non-RSA software or other components that Customer directs or requests that RSA or its Affiliates use with, install, or integrate as part of the Products or Services;
 - ii. Customer's violation of RSA's or its Affiliates' proprietary rights;
 - iii. Customer's misrepresentation of facts regarding an export license or any allegation made against RSA or its Affiliates due to Customer's violation or alleged violation of applicable export laws;
 - iv. Customer's transfer or provision of access to Excluded Data to any Supplier or its Affiliates. "Excluded Data" means: (i) data that is classified, used on the U.S. Munitions list (including software and technical data) or both; (ii) articles, services, and related technical data designated as defense articles and defense services; and (iii) ITAR (International Traffic in Arms Regulations) related data; and (iv) other personally identifiable information that is subject to heightened security requirements as a result of Customer's internal policies or practices or by law. Customer acknowledges that products and services provided under the Agreement are not designed to process, store, or be used in connection with Excluded Data. Customer is solely responsible for reviewing data that will be provided to or accessed by Suppliers to ensure that it does not contain Excluded Data.
- B. Indemnification Process. A party's duty to defend and indemnify under this section is contingent upon the party seeking indemnity: (i) sending prompt written notice of the matter to the party providing indemnity and taking reasonable steps to mitigate damages; (ii) granting to the party providing indemnity the sole right to control the defense and resolution of the matter; and (iii) cooperating with the party providing indemnity in the defense and resolution of the matter and in mitigating any damages.

8. LIMITATION OF LIABILITY. Limitations on Damages. The limitations, exclusions and disclaimers stated below apply to any and all disputes, claims, or controversies (whether in contract, tort, or otherwise) related to or arising out of the Agreement or any quote or Order ("Dispute"). The terms of this Section are agreed allocations of risk constituting part of the consideration for RSA's sale of products and services to Customer and will apply even if there is a failure of the essential purpose of any limited remedy, and regardless whether a party has been advised of the possibility of the liabilities.

- A. Limitation on Direct Damages. Except for Customer's obligations to pay for products and services, Customer's violation of the restrictions on use of products and services or RSA's or its Affiliates' intellectual property rights, or a party's indemnity obligation stated in the Section above titled "Indemnity", each party's total liability arising out of any Dispute or any matter under this Agreement, is limited to the amount Customer paid to RSA during the twelve months before the date that the matter or Dispute arose for the product, services, or both that are the subject of the Dispute, but excluding amounts received as reimbursement of expenses or payment of taxes.
- B. No Indirect Damages. Except for Customer's payment obligations and violation of RSA's or its Affiliates' intellectual property rights, neither RSA nor Customer has liability to the other for special, consequential, exemplary, punitive, incidental, or indirect damages, or for lost profits, loss of revenue, loss or corruption of data, or loss of use, or procurement of substitute products or services.
- C. Regular Back-ups. Customer is solely responsible for its data. Customer must back up its data before RSA performs any remedial, upgrade, or other work on Customer's production systems. If applicable law prohibits exclusion of liability for lost data, then RSA will only be liable for the cost of the typical effort to recover the lost data from Customer's last available back-up.
- D. Limitation Period. Except as stated in this Section, all claims must be made within the period specified by applicable law. If the law allows the parties to specify a shorter period for bringing claims, or the law does not provide a time at all, then claims must be made within twelve months after the cause of action accrues.
- E. Suppliers and Affiliates. The foregoing limitations shall also apply in favor of RSA's Suppliers and Affiliates.

9. TRADE COMPLIANCE. Customer's purchase of licenses for Software and access to related technology ("Materials") are for its own use, not for resale, export, re-export, or transfer. Customer is subject to and responsible for compliance with the

export control and economic sanctions laws of the United States and other applicable jurisdictions. Materials may not be used, sold, leased, exported, imported, re-exported, or transferred except with prior written authorization by RSA, or its Affiliates and in compliance with such laws, including, without limitation, export licensing requirements, end-user, end-use, and end-destination restrictions, and prohibitions on dealings with sanctioned individuals and entities, including but not limited to persons on the Office of Foreign Assets Control's Specially Designated Nationals and Blocked Persons List or the U.S. Department of Commerce Denied Persons List. Customer represents and warrants that it is not the subject or target of, and that Customer is not located in a country or territory (including without limitation, North Korea, Cuba, Iran, Syria, and Crimea) that is the subject or target of, economic sanctions of the United States or other applicable jurisdictions. Customer understands and will comply with all applicable provisions of the U.S. Arms Export Control Act (AECA) and the U.S. International Traffic in Arms Regulations (ITAR) in Customer's receipt, use, transfer, modification, or disposal of Software. Customer acknowledges that any use, modification, or integration of the Software in or with defense articles or in the provision of defense services is not authorized by RSA, and that RSA will not provide warranty, repair, customer support, or other services in connection with such end uses. Customer certifies that any software, disk images, or other data provided to RSA in connection with the purchase of the Software will not contain technical data, software, or technology controlled by the ITAR or AECA, and that if Customer later returns the Software to RSA or grants RSA access to the Software, Customer will not include or otherwise make available to RSA any such technical data, software, or technology.

- 10. CONFIDENTIALITY.** "Confidential Information" means any information that is marked "confidential" or "proprietary" or any other similar term or in relation to which its confidentiality should by its nature be inferred or, if disclosed orally, is identified as being confidential at the time of disclosure and, within two (2) weeks thereafter, is summarized, appropriately labeled and provided in tangible form. Confidential Information does not include information that is (i) rightfully in the receiving party's possession without prior obligation of confidentiality from the disclosing party; (ii) a matter of public knowledge; (iii) rightfully furnished to the receiving party by a third party without confidentiality restriction; or (iv) independently developed by the receiving party without reference to the disclosing party's Confidential Information. Each party shall (a) use Confidential Information of the other party only for the purposes of exercising rights or performing obligations in connection with this Agreement or any purchase order hereunder; and (b) protect from disclosure to any third parties, by use of a standard of care equivalent to that as used by recipient to protect its own information of a similar nature and importance, and, no less than the use of reasonable care, any Confidential Information disclosed by the other party for a period commencing upon the date of disclosure until three (3) years thereafter, except with respect to (1) Customer data to which RSA may have access in connection with the provision of Services, which shall remain Confidential Information until one of the exceptions stated in the above definition of Confidential Information applies; and (2) Confidential Information that constitutes, contains or reveals, in whole or in part, RSA proprietary rights, which shall not be disclosed by the receiving party at any time, and (3) Products, Software Releases, Evaluation Products, Training Materials and Documentation, which shall remain Confidential Information until one of the exceptions stated above applies. Customer may not disclose the results of any performance tests of the Software to any third party without RSA's prior written approval. Notwithstanding the foregoing, the receiving party may disclose Confidential Information (A) to its Affiliate for the purpose of fulfilling its obligations or exercising its rights hereunder as long as such Affiliate complies with the foregoing; and (B) to the extent required by law or regulation (provided the receiving party has given the disclosing party prompt notice to the extent permitted by law).

Each party acknowledges that any breach of the provisions of this Section 10 would result in serious and irreparable injury to the non-breaching party for which the non-breaching party cannot be adequately compensated. Each party agrees, therefore, that, in addition to any other remedy that the non-breaching party may have, the non-breaching party is entitled to seek both temporary and permanent injunctive relief without the necessity of proving actual damages.

The parties do not intend to disclose to one another hereunder information that would be covered by the Gramm-Leach-Bliley Act, the Health Insurance Portability and Accountability Act of 1996 or similar privacy legislation within or outside of the United States. Accordingly, neither party shall disclose to the other hereunder any of the following information regarding either party's employees, customers, suppliers or other business partners: protected health information (as defined at 45 CFR 164.501), social security numbers, driver's license numbers, credit card numbers or similar government identity numbers or personal financial account numbers.

- 11. TERM AND TERMINATION.** This Agreement takes effect on the Effective Date and continues until (i) terminated for cause; (ii) terminated due to subscription expiration; or (iii) the associated contract expires. Any provision that by its nature or context is intended to survive any termination or expiration, including but not limited to provisions relating to payment of outstanding fees, confidentiality and liability, shall so survive. Upon any termination of this Agreement or Customer's license to use the Software, upon RSA's request, Customer shall promptly return to RSA, or destroy and certify in writing to RSA, that it has destroyed the original and all copies, in whole or in part, in any form, of the Software, Documentation, and any other Confidential Information disclosed by RSA under this Agreement. The termination of this Agreement shall not (a) discharge any payment obligations accrued as of the effective date of such termination, even if such obligations are payable after the termination date, or (b) entitle Customer to a refund of any amounts previously paid to RSA.

12. MISCELLANEOUS.

- A. References. Each party shall not, and shall not authorize or assist another to, originate, produce, issue or release any written publicity, news release, marketing collateral or other publication or public announcement, relating in any way to this Agreement, without the prior written approval of the other, which approval shall not be unreasonably withheld; provided, however, that RSA may identify Customer for reference purposes and use Customer's logo in its marketing material unless and until Customer expressly objects in writing.
- B. Notices. Any notices hereunder shall be in writing, and shall be deemed given when delivered (i) in person, (ii) by overnight courier, upon written confirmation of receipt, (iii) by certified or registered mail, with proof of delivery, or (iv) by email, with confirmation of receipt. Notices shall be sent to the address or email address set forth above, or at such other address or email address as provided to the other party in writing.
- C. Entire Agreement. This Agreement and if Customer is purchasing directly from RSA, each quote, schedule and purchase order (i) comprise the complete statement of the agreement of the parties with regard to the subject matter thereof; and (ii) may be modified only in a writing with evidence of acceptance by both parties. All terms of any purchase order or similar document provided by Customer, including but not limited to any pre-printed terms thereon and any terms that are inconsistent or conflict with this Agreement and/or RSA quote or schedule, shall be null and void and of no legal force or effect, even if RSA does not expressly object to such terms when accepting a purchase order or similar document provided by Customer. In case of any conflict between a schedule or quote and this Agreement, the schedule or quote shall control.
- D. Force Majeure. Except for payment of fees, if a party's performance of its obligations is prevented or interfered with due to any force majeure event, including strikes, riots, insurrection, terrorism, cyberattacks, epidemics, pandemics, fires, natural disasters, acts of God, war, governmental action, or any other cause which is beyond the reasonable control of such party ("Non-Performance Cause"), such Party shall (i) promptly notify the other; and (ii) be excused from the performance of the affected obligations on a day-for-day basis, during the force majeure Event; (iii) use reasonable efforts to avoid or remove the Non-Performance Cause; and (iv) move to resume performance as soon as possible after the Non-Performance Cause is removed or ceases.
- E. Assignment. Customer shall not assign this Agreement or a purchase order or any right herein or delegate any performance without RSA's prior written consent, which consent shall not be unreasonably withheld. RSA may use RSA Affiliates or other sufficiently qualified subcontractors to provide Services to Customer, provided that RSA shall remain responsible to Customer for the performance thereof.
- F. Governing Law. RSA does not give a guarantee in relation to Products or Services (Beschaffenheitsgarantie) that would entail an unlimited liability of RSA or a liability regardless of negligence or fault pursuant to the German Civil Code, except if an unlimited liability and/or liability regardless of negligence or fault has been expressly agreed in writing. The mere use of terms like "to guarantee", "to ensure" or similar wording shall not be considered sufficient to establish such liability, but a binding contractual commitment of RSA that is subject to the agreed limitation of liability.
